Please feel free to reach out to us to let us know if you are interested in coming out to lend a hand with a group of individuals or on your own. Get your students involved. Invite your high school students. Promote this opportunity as volunteering hours that look great on their application for college.*

Besides these gardens you always have an opportunity to volunteer with some of our partnering groups. Finca Tres Robles has open volunteering events on the 3rd Saturday of every month. Contact Ms. Emily Foxman from Urban Harvest to see what other gardens you can volunteer at in your local Houston communities, [emily@urbanharvest.org](mailto:emily@urbanharvest.org).
