YEARS OF SERVING
HOUSTON'S EAST END

2020 FACT SHEET

ABOUT US

Serving Houston's East End community since 1994, El Centro de Corazón (El Centro) is an accomplished Federally Qualified Health Center (FQHC) with four health center locations and offers a comprehensive range of pediatric and adult health care services for the medically underserved and uninsured, which includes primary care, women's health, dental care, and behavioral health services. El Centro also provides ancillary services, such as case management and eligibility assistance, to help patients and their families overcome obstacles to accessing health care services.

OUR MISSION

To be the leader in improving the well-being of the communities we serve through the provision of quality health care and the delivery of innovative programs.

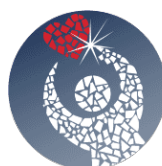

OUR VISION

To be the cornerstone of a healthier community.

OUR IMPACT

- In 2019, El Centro provided direct patient care to 12,978 low-income children and adults over 46,959 patient visits.
- Reopened its newly renovated John S. Dunn Health Center. Access to care will greatly improve through the addition of adult medical and dental services.
- Initiated the Growing Roots East End Network (GREEN) with local schools and organizations to revitalize community gardens, increase access to fresh foods and improve community cohesion.
- Provided 699 mammograms with the help of our community health partners: MD Anderson Cancer Center, UT School of Public Health, The Rose, and East Side Imaging.
- Hosted its annual Be Healthy Family Expo with over 800 children, adults, and families in attendance and distributed over 800 backpacks filled with school supplies to elementary-aged kids.
