# East End Posada

*Give the gift of holiday cheer to a family in need*

El Centro hosted its annual East End Posada on December 11th, where over 125 children from nearly 100 area families received toys. Every year select elementary-aged children from local East End schools and community families are presented with gifts. With the support of generous sponsors, El Centro distributed coats and over 400 toys to the children and 69 gift cards to the families in the East End community.

Thank you to the businesses, organizations, individuals, and volunteers who made El Centro's 2021 East End Posada a success!

*Thank you to our 2021 Sponsors*
